SCHOLARSHIP ELIGIBILITY AND AWARD CRITERIA

It is the intent of this association to reward applicants who endeavor to pursue a career in, or related to the Drinking Water field.

- Criteria:** Applicant shall:
- (a) Intend to attend a two or four-year school of higher education.
 - (b) Have a solid academic standing and/or financial need.

Eligibility: This Scholarship is available to members and their relatives of the Barnstable County Water Utilities Association. Applicants must be high school seniors or students attending a college program. Preference may be given to those majoring in a program that is applicable to the Drinking Water Industry, such as engineering (Civil, Environmental, Mechanical), environmental science, chemistry, and business administration, although those majoring in other areas will also be considered. Only one award will be given to an applicant.

We welcome your application. Please provide all of the information requested in the application form, and sign where requested.
